

HAWKSOFT 6 RELEASE NOTES

Released 05/29/2025

Category	Type	Release Notes
Accounting	Bug	Fixed an issue that would cause the date range provided in the Company Payables and agency revenue reports to not return data properly sometimes.
Client Viewer	Enhancement	Users may now set which client detail tab is displayed by default when the Client tab is selected. This allows users to start on the tab they use most often, reducing clicks to navigate to the desired tab. This option can be found by clicking on the filter icon on the client/policy bar and selecting Preferences.
Self-Serve Certs	Bug	Self-service Certificates no longer allow access to expired (prior term) certificates.
Self-Serve Certs	Bug	Adjusted the Self-service Certificates address format.
Email	Enhancement	When sending an email in HawkSoft via the Action Menu, on the Recipients screen there is now an option to include emails from all Vendors and Carriers if desired.
