

Rater Integration - Write Your Carrier

Please use the following as a template for asking your carrier(s) to integrate with ITC TurboRater or other raters that integrate with HawkSoft. More details available at www.hawksoft.com/rater/write-your-carrier. Don't forget to replace the **{{ bold }}** text with the appropriate information.

Hello **{{ carrier representative's name }}**,

I would like **{{ carrier's name }}** to integrate with **{{ ITC TurboRater or other rater }}**, the rater I use with HawkSoft agency management system.

Integrating with **{{ rater }}** would benefit me as an independent agent and your company by:

- Increasing the efficiency of quoting new customers and re quoting/rewriting existing customers. This would save me valuable time each day and free me up to do more as an agent.
- Increasing the visibility of your services when I am seeking the best rates for my customers. I use **{{ rater }}**, and if **{{ carrier }}** is not represented when quoting I will have a harder time presenting your coverage to my customers.

I value our relationship and want to get the most out of it. If you were to integrate with **{{ rater }}**, I know that we would both gain from it. Integration would make your carrier's rates accessible to thousands of agents in our state.
